Elegant Evening

The Soderstrom Society, an honors association named for Walter E. Soderstrom, one of the founders of Idealliance predecessor association NAPL, recognizes the contributions of professionals whose careers have advanced the visual communications and media industry.

Industry companies, manufacturers, and suppliers are invited to participate in the Soderstrom Awards Dinner, an event many consider the industry’s most elegant evening. Reserving a table offers companies a perfect opportunity to bring together key executives and select customers or prospects for socializing and quality networking.

Tasteful signage on reserved tables also provides well-deserved recognition of a company’s support of the industry at one of its signature events. Full and half-table sponsorships for the Soderstrom Awards Dinner are available for \$5,000 and \$2,500, respectively. Individual tickets are \$225.
