## award winning

Konica Minolta continues to lead the industry in digital production power with quality and Award Winning control – and Epicomm locations count on bizhub PRESS® equipment for proven reliability and cost-efficiency to meet high-volume color and black and white output demands.

### bizhub PRESS C1085

**Color, Speed, Power** – The bizhub PRESS C1085 combines superior strength, high-resolution image quality and simple operation with the versatile paper handling and finishing capabilities you need for maximum flexibility. With output speeds up to 85 ppm, it is built for a heavy-duty production cycle of up to 750,000 impressions per month, 3600 DPI on substrates from 55gsm to 350gsm.

### bizhub PRESS 1250

**Black and White, Speed, Power** – The bizhub PRESS 1250 brings your business the black and white power of a true professional. With output speeds up to 125 ppm, it is built for a heavy-duty production cycle of up to 3,000,000 impressions per month. The bizhub PRESS 1250 features tandem printing capability to double your output speed for big jobs on tight deadlines.
