* Final Scanned mailpieces are pieces that have received a Stop-the-Clock (Final Scan). This type of scan presumes the mailpiece will be delivered on the day of the final scan or on the next business day, depending on the cut-off time of the scan operation code.

The Track N Trace service uses United States Postal Service® IMB Tracing® service and the Intelligent Mail® barcode to track automated First-Class™, Standard Mail®, or Periodicals mailings, for better mailing effectiveness and coordinated marketing efforts.
