G7® Expert

A **G7 Expert** is an expert in the field of color management, process and quality control for proofing and printing equipment. A G7 Expert is able to analyze color and print related issues and take corrective action to bring systems and processes in control to a set method, standard or specification with repeatable predictable results. Certification is valid for 2 years. G7 Experts must remain employed with an Idealliance Member Company to maintain their G7 Expert status.

G7® Professional

A **G7 Professional** is generally an in-house quality/technical professional. Certification is valid for 2 years. A G7 Professional must be employed by G7 Network Member or with an Idealliance Corporate Member company to maintain their G7 Professional status.

Certification exam

The certification exam is conducted online through the Idealliance course site. Once you complete the classroom course you will have access to the exam. Access is typically for 10 days beginning the last day of class, with 2 attempts to pass (**90% or better for G7 Expert, 80% or better for G7 Professional**). You must pass the exam to become certified. (Additional attempts are available with a small fee.)

Following the exam close date, allow approximately 2 weeks to receive your certificate and logos via email.
