

# FANTASY ISLAND

CIRO MARCHETTI

Fantasy Island is a montage of various images from other works by Ciro Marchetti, a designer and illustrator based in Miami, Florida. Working on a Macintosh® platform and Wacom® graphics tablets, his art is produced using only Adobe® Photoshop® software. In the last few years his work has been recognized with four GURU Awards from the National Association of Photoshop Professionals. A three time finalist and Grand Prize winner of the Macworld Expo Digital Art Competition, and featured in various publications, including *Secrets of Award Winning Digital Artists* published by John Wiley, *Design Graphics Magazine*, and *Step by Step Digital Design*. Other works can be seen at his web site [www.ciomarchetti.com](http://www.ciomarchetti.com)
